Important

- **Validate** your assignment **before** you **submit** it.

- You may **resubmit** at any time **until** the due date (15th December, 12h00).

- **Extensions** to the due date will only be given via request through the **Senior Tutor.**

- **Submit** your work even if it is **not perfect/complete**. The marking scheme has various dimensions.

Help and support

- The assignment is an individual submission.

- No feedback is released before the due date.

- Drop-ins, email support, and discussion groups cannot address specific coding issues when writing your code.

- We can, however, provide **general guidance** and **suggestions**.
